Media Registration

We are happy to invite accredited media personnel to participate in WTC 2025. All media must email their associated credentials to wtc2025-registration@icsevents.com and use a designated registration code to register. Media will receive complimentary in-person full registration. Any media personnel not approved by the WTC Registration Manager (see below) will be ineligible for a Media Credential and are invited to register as an attendee.

To ensure that exhibitors have access to media members who are actively covering the event, we ask that working media personnel verify their roles. If you do not fulfill these conditions but still want to attend, we invite you to register as an attendee.

Media Credentials

To be considered for a media registration, all credentials must be sent to show management at wtc2025-registration@icsevents.com using the subject line: WTC 2025 Media Application. Be sure to indicate which media classification you are applying for as per below. Applications must be received by June 30th, 2025.
